## ★ Platform Features

**DYR Platform** Your own branded website FREE.

**Online DesignStudio™** Create personalized products yourself for your clients.

**LiveLink** Gives your clients access to an “end-user” friendly site that is associated to you by being branded with your company name and logo.

**Corporate Store** Setup custom stores for your clients branded with their company name and logo. They can share the “link” to all their employees or customers.

**Saved Designs** For repeat orders. Just change the text or image easily.

**Marketing Tool Kit** Everything you need to market your DYR site to your clients.

**Design4You** Not enough time? Need some great design ideas for your clients? Our graphic team will create beautiful virtual renderings that you can present to your customers.

**File Locker** Store your client’s images, logos and text for future use.

**My Account Dashboard** This is the place to manage all your orders, order history, clients and more.
